GTEN 2021 Virtual Symposium

October 18th & 19th, 2021

That's enough out of 2021, let's look at next year.

GTEN 2021 Virtual Symposium

October 18th & 19th, 2021

My bold predictions:

- Pulse Secure VPN is the tip of the iceberg.
- Disruptionware becomes the weapon of the disaffected in every corner of the globe.
- The internet becomes nearly unusable to humans due to disinformation. <https://www.thesocialdilemma.com/>

GTEN 2021 Virtual Symposium

October 18th & 19th, 2021

How can we address the coming year?

- Patch. Please. IT always. OT when you can
- A key to physical security is to prevent trespass
- Remember online as in life - if it's too good to be true, it is
- Social media algorithms are created to polarize society and drive action – don't fall for it
